

EXPERIENCE SUSS ONLINE

Flexible Learning Options at SUSS

As a university that promotes lifelong learning, we are committed to finding new and flexible pathways for our students to learn. SUSS Online offers one such pathway, by providing a **supportive and engaging learning environment** that allows students to study while they work, whether they are in Singapore or living abroad.

Students pursuing their **degree programme** at SUSS have the **unique opportunity** and choice to complete part of their undergraduate curriculum through **fully online courses**, with no physical class requirements.

Experience SUSS Online

Courses are delivered 100% online via the Canvas Learning Management System, where face-to-face sessions are replaced with video conferencing sessions known as Online Seminars.

An assortment of virtual learning tools, interactive activities and other resources that are designed to keep students fully engaged in an exclusively online learning environment.

Guidance and support provided by experienced online instructors via weekly online seminars, discussion boards, social messaging platform and emails.

Personalised support via confidential 1-on-1 sessions from Student Success Coaches to help students overcome any online learning adjustment issues for a successful and rewarding learning experience.

Benefits of SUSS Online courses

Enjoy the flexibility to manage your studies, as you can complete course activities at your own pace and time, as long as you meet the stipulated deadlines.

Enjoy the convenience of studying anytime and anywhere in the world, as long as you have wi-fi or internet connection.

Gain valuable skill sets that are essential in the digital economy, such as virtual networking and collaboration skills, through online group-based assignments and graded discussions.

Have peace-of-mind that all online courses are of the same academic standards and quality as our on-campus education.

Who should sign up ? ...

Students seeking to experience a different mode of learning and gain new skill sets that are essential in the digital economy, such as digital literacy, virtual networking and collaboration skills.

Students seeking better work-life-study balance through time saved from not having to travel to campus for classes.

Students who have to travel frequently or reside overseas during their undergraduate studies.

Eligibility and Application ...

To be eligible for SUSS Online courses, students must first be enrolled in an undergraduate programme at SUSS.

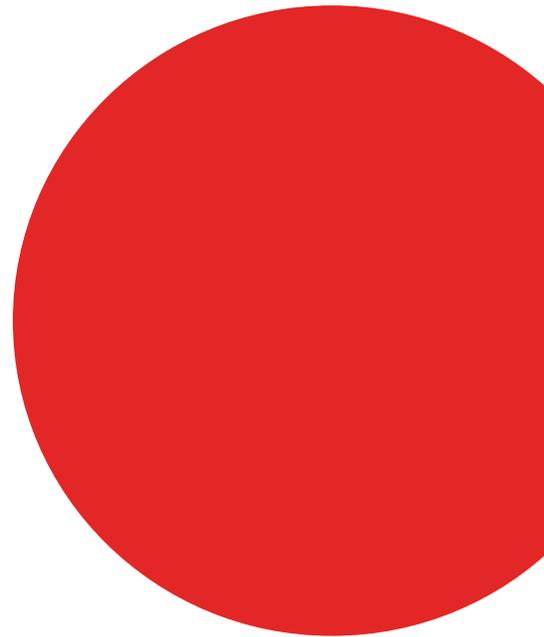

The usual admission criteria for part-time or full-time undergraduate programmes apply.
